Official Letter 134/2020 / ORCN / SOR-ANATEL

The Lady,  
Camila de Almeida Lemos Loschi  
OCD Committee Coordinator

Subject: **Extraordinary guidance for maintaining product certification for telecommunications.**

Dear Ma'am,

1. In view of the information provided by the *IAF* document *Informative Document For Management of Extraordinary Events or Circumstances Affecting ABs, CABs and Certified Organizations*, with regard to the international measures adopted to combat the coronavirus epidemic (COVID-19), which constitutes a public health emergency of international concern (high global risk), and considering the possible impacts on the activities involved in carrying out periodic maintenance of the certification of telecommunications products, described in the Regulations for Conformity Assessment and Homologation of Telecommunications Products, approved by Resolution No. 715 of October 23, 2019, Anatel hereby establishes the following temporary alternative condition to OCD in carrying out maintenance activities of the Certificate of Conformity:

1.1. The maintenance of the certification activity is authorized with the presentation of the necessary declarations for the conduct of the certification process, with the presentation of photos and test reports applied to the period of current maintenance being waived.

2. Furthermore, it should be noted that this extraordinary exception for maintaining certification applies only to products whose validity of the Certificate of Conformity occurs until the date of **June 31, 2020** .

3. This alternative condition takes effect on the date of dispatch of this letter.

Sincerely,

Document signed electronically by **Davison Gonzaga da Silva** , **Certification and Numbering Manager** , on 03/06/2020, at 10:46 am, according to official Brasília time, based on art. 23, item II, of [Ordinance No. 912/2017](#) of Anatel.
